You Can Help Save History from the Dust Heap.

Each day more of our local history is lost by the passage of time, the passing of early pioneers, and the loss of historic and archaeological sites throughout Broward County.

But you can help. The **Broward County Historical Commission** has been working to preserve local history since 1972 with help from people like you.

By donating old family photos and documents, volunteering at events, and providing donations to the **Broward County Historical Commission Trust Fund**, your efforts help preserve our history.

Consider how you can help save our heritage and create a legacy for your community by contributing your time, historical items, or your generosity. What you do today maintains the dignity of history for the future. Call us at **954-765-4671**.
