COVER AND INSIDE COVER PHOTOS: Our cover photo depicts the temporary barge-bridge spanning a narrow stretch of the Florida East Coast Canal (today's Intracoastal Waterway) at Hollywood's Johnson Street in the early 1920s. On the inside cover (opposite) is Harry S. Kelsey's 1929 deed transferring ownership of the canal to the federal government. An article on the waterway's history begins on page two of this issue of *Broward Legacy*.
