COVER ILLUSTRATION:

The 1823 H. S. Tanner map of Florida details a number of natural features in the Broward County area, identifying many by names different from those used today. At the "Cape Florida Settlement" on Biscayne Bay, appears the name "Lewis." An article on the Lewis family's early settlements on both New River and Biscayne Bay and an intriguing series of lawsuits over the lands granted to them, begins on page two of this issue of *Broward Legacy*.
