

MILLIKEN & COMPANY

College Relations Department, M-260E
P.O. Box 1926
Spartanburg, SC 29304

GENERAL INFORMATION

Milliken is a major manufacturer of textile products for apparel, commercial, home, and industrial markets, as well as specialty chemicals for a wide variety of applications. The company was founded in 1865 and has nearly 50 plants and 13,000 associates in the US. Milliken is a world leader in quality manufacturing and was the 1989 winner of the Malcolm Baldrige National Quality Award. Careers at Milliken involve challenge, innovation, advanced technology, promotion from within based on individual performance, and extensive education and training opportunities. Entry level opportunities are available in South Carolina and Georgia.
