

Growth Through Responsibility

YOUR CAREER WITH ROHM AND HAAS

If you're the kind of person who can take the initiative and aggressively reach for increasing responsibility, consider a career with Rohm and Haas. We are a highly diversified major chemical company producing over 2,500 products used in industry and agriculture. Because our employees are a critical ingredient in our continuing success, we place great emphasis on their development and growth. When you join Rohm and Haas, you'll receive a position with

substantial initial responsibility and plenty of room for growth. And we'll provide the opportunities to acquire the necessary technical and managerial skills to insure your personal and professional development. Our openings are in Engineering, Manufacturing, Research, Technical Sales and Finance. For more information, visit your College Placement Office, or write: Rohm and Haas Company, Recruiting and Placement #786, Phila., PA 19105.
