

# DOW CHEMICAL USA

University Relations  
2020 Willard H. Dow Center  
Midland, MI 48674

## ● GENERAL INFORMATION ●

Dow Chemical manufactures and markets chemicals, plastics, metals, consumer products, pharmaceuticals, specialty products and services, and agricultural products. Dow Chemical USA will hire over 175 chemical engineers in 1988 and has over 2200 chemical engineers working in all functions and geographic locations. In a recent magazine survey, chemical engineering students named Dow as the number one company for which they would like to work.

**CITIZENSHIP REQUIREMENTS:** Only U.S. citizens, aliens who have a legal right to work and remain permanently in the U.S. or aliens who qualify as "Intending Citizens" under the Immigration Reform and Control Act of 1986 are eligible for employment.

**REGIONS WHERE BS/MS CAMPUS RECRUITING IS CONDUCTED:** Nationwide

**HOW TO APPLY IF UNABLE TO SCHEDULE CAMPUS INTERVIEW:** Send resume and letter to above address, stating your job interests and geographic preferences.
