

ACKNOWLEDGMENTS

Departmental Sponsors: The following 151 departments contributed to the support of **CHEMICAL ENGINEERING EDUCATION** in 1984 with bulk subscriptions.

University of Akron	University of Kansas	University of Queensland
University of Alabama	University of Kentucky	Queen's University
University of Alberta	Lafayette College	Rensselaer Polytechnic Institute
Arizona State University	Lamar University	University of Rhode Island
University of Arizona	Laval University	Rice University
University of Arkansas	Lehigh University	University of Rochester
University of Aston in Birmingham	Loughborough University of Technology	Rose-Hulman Institute
Auburn University	Louisiana State University	Rutgers University
Brigham Young University	Louisiana Tech. University	University of South Alabama
University of British Columbia	University of Louisville	University of South Carolina
Brown University	University of Maine	University of Saskatchewan
Bucknell University	Manhattan College	South Dakota School of Mines
University of Calgary	University of Maryland	University of Southern California
California State Polytechnic	University of Massachusetts	Stanford University
California State University, Long Beach	Massachusetts Institute of Technology	Stevens Institute of Technology
California Institute of Technology	McMaster University	University of Surrey
University of California (Berkeley)	McNeese State University	University of Sydney
University of California (Davis)	University of Michigan	Syracuse University
University of California (Santa Barbara)	Michigan State University	Teesside Polytechnic Institute
University of California at San Diego	Michigan Tech. University	Tennessee Technological University
Carnegie-Mellon University	University of Minnesota	University of Tennessee
Case-Western Reserve University	University of Missouri (Columbia)	Texas A&I University
University of Cincinnati	University of Missouri (Rolla)	Texas A&M University
Clarkson College of Technology	Monash University	University of Texas at Austin
Clemson University	Montana State University	Texas Technological University
Cleveland State University	University of Nebraska	University of Toledo
University of Colorado	University of New Hampshire	Tri-State University
Colorado School of Mines	New Jersey Inst. of Tech.	Tufts University
Colorado State University	New Mexico State University	Tulane University
Columbia University	University of New Mexico	University of Tulsa
University of Connecticut	City University of New York	University of Utah
Cornell University	Polytechnic Institute of New York	Vanderbilt University
Dartmouth College	State University of N.Y. at Buffalo	Villanova University
University of Dayton	North Carolina State University	University of Virginia
University of Delaware	University of North Dakota	Virginia Polytechnic Institute
University of Detroit	Northeastern University	Washington State University
Drexel University	Northwestern University	University of Washington
University of Florida	University of Notre Dame	Washington University
Florida Institute of Technology	Nova Scotia Tech. College	University of Waterloo
Georgia Technical Institute	Ohio State University	Wayne State University
University of Houston	Ohio University	West Virginia Inst. Technology
Howard University	University of Oklahoma	West Virginia University
University of Idaho	Oklahoma State University	University of Western Ontario
University of Illinois (Chicago)	Oregon State University	Widener College
University of Illinois (Urbana)	University of Ottawa	University of Windsor
Illinois Institute of Technology	University of Pennsylvania	University of Wisconsin (Madison)
Institute of Paper Chemistry	Pennsylvania State University	Worcester Polytechnic Institute
University of Iowa	University of Pittsburgh	University of Wyoming
Iowa State University	Princeton University	Yale University
Johns Hopkins University	Purdue University	Youngstown State University
Kansas State University		

TO OUR READERS: If your department is not a contributor, please ask your department chairman to write **CHEMICAL ENGINEERING EDUCATION**, c/o Chemical Engineering Department, University of Florida, Gainesville, Florida 32611.
