

WORLD WIDE ENGINEERING

BRAUN

CF BRAUN & CO

A SUBSIDIARY OF SANTA FE INTERNATIONAL CORPORATION

**CF
Braun & Co**
is a world leader
in the engineering and
construction industry. For
more than 70 years, we have
provided a wide range of services to the
process and power industries.

Our principal fields of activity are
chemical and petrochemical plants, oil
refineries, ore processing plants, coal
gasification facilities, and power

gener-
ating sta-
tions. Many of our
projects have been first-
of-a-kind, utilizing new
processes never before employed
on a commercial scale. We also have been
involved in the emerging synfuels
industry.

Our rapid growth has opened up many
challenging opportunities and
assignments for professional growth.
Positions are available at our engineering
headquarters in Alhambra, California, and
at our eastern engineering center in
Murray Hill, New Jersey.
