CHEMICAL ENGINEERING

Edited by J.M. COULSON, University of Newcastle upon Tyne
and J.F. RICHARDSON, University College of Swansea

This classic series of textbooks, widely acclaimed for its authoritative and outstanding presentations, consists of five complementary volumes all available now in SI units.

VOLUME 1: 3rd Edition

Fluid Flow, Heat Transfer and Mass Transfer

By J.M. Coulson and J.F. Richardson, with the editorial assistance of J.R. Backhurst and J.H. Harker

"...the selection of topics and their coverage are excellent..."
