

Chemical Engineering Education

VOLUME XI NUMBER 3 SUMMER 1977

EDITORIAL AND BUSINESS ADDRESS

Department of Chemical Engineering
University of Florida
Gainesville, Florida 32611

Editor: Ray Fahien

Associate Editor: Mark Tyrer

Editorial and Business Assistant: Bonnie Neelands

(904) 392-6661

Publications Board and Regional Advertising Representatives:

Chairman:

Derek T. Wasieleski
Illinois Institute of Technology

SOUTH:

Homer F. Johnson
University of Tennessee

Vincent W. Imlay
University of Virginia

CENTRAL: Leslie E. Lehti
University of Toledo

Candace A. Colverly
University of Wisconsin

WEST: George P. Meenanaghan
Texas Tech University

William H. Crovorn
California Institute of Technology

Thomas W. Weber
State University of New York

Lee C. Engleton
Pennsylvania State University

NORTH: J. J. Martin
University of Michigan

Edward B. Stuart
University of Pittsburgh

NORTHWEST: R. W. Mesulis
University of Washington

Charles E. Hicks
Oregon State University

PUBLISHERS REPRESENTATIVE
D. R. Conaghan
Drexel University

UNIVERSITY REPRESENTATIVE
Stuart W. Cherehill
University of Pennsylvania

FEATURES

108 1976 Award Lecture -

The Role of Waves in Two Phase Flow:
Some New Understandings, A. Dukler

118 Experiments in Undergraduate Reaction Engineering: Startup and Transient Response of CSTR's in Series, D. Sædberg, T. Carleton and R. McCallister

122 Stressing Industrial Implications in a Polymer Engineering Course, J. Charrier

130 Faculty Workload Measurement at Penn State, L. Engleton

134 Faculty Workload Measurement at NJIT, D. Hennessey

140 On Teaching Problem Solving: Part II The Challenges, D. Woods

DEPARTMENTS

98 The Educator

Jim White of the University of Tennessee

104 Departments of Chemical Engineering
Brigham Young University

103, 138 Book Review

144 News

CHEMICAL ENGINEERING EDUCATION is published quarterly by the Chemical Engineering Division, American Society for Engineering Education. The publication is edited at the Chemical Engineering Department, University of Florida. Second-class postage is paid at Gainesville, Florida, and at DeLeon Springs, Florida. Correspondence regarding editorial matters, circulation, and changes of address should be addressed to the Editor at Gainesville, Florida 32611. Advertising rates and information are available from the advertising representative. Rates and other advertising material may be sent directly to the printer: E. G. Palmer Printing Co., P. O. Box 421, DeLeon Springs, Florida 32118. Subscription rates U.S., Canada, and Mexico is \$15 per year, \$7 per year mailed to members of AIChE and of the C&E Division of AIChE. Bulk subscription rates to C&E faculty on request. Write for prices on individual back copies.
