Presenting:

CEE’s Annual Graduate Guide

for 2023-2024

CEE’s Graduate Guide features schools that offer graduate education programs in chemical engineering and related fields. By advertising their programs in this annual graduate education issue, these schools have financially supported CEE’s ability to continue serving the needs of the international community of educators in chemical engineering.

To view the current year’s selection, go to the CEE website: https://cee.che.ufl.edu/graduate-guide/ or download the free Apple app. Additional information, including an index of the 2023 advertisers, are found on the following pages.
Interested in graduate school in Chemical Engineering, but not sure where to start?

Chemical Engineering Education is pleased to offer a free iPhone/iPad app that provides information and direct links to graduate programs in the US and abroad.

The graduate school information can also be accessed from a browser. Go to:

October 2023

Dear Dept. Chair/Head/Director:

In what follows is the 2023 Chemical Engineering Education Graduate Guide. For decades, the CEE Grad Guide has been published to inform students of the many departments where they may pursue graduate education in the broad field of chemical engineering. Departments have supported the journal through purchasing the ads that you (and the students) will see, and journal greatly appreciates their past, current, and future support.

I note that the CEE Grad Guide is also available as a free iPhone/iPad app (CEE Grad Guide 2023-24) and from a browser at https://cee.che.ufl.edu/graduate-guide/.

Since we aim to distribute the CEE Grad Guide broadly, the Fall 2023 issue is sent to almost every chemical engineering program in North America (plus all our regular customers overseas). This issue is special in that it contains the first of three sections highlighting the efforts from the 2022 ASEE/AIChE Summer School. If your department does not currently have a subscription to CEE, but would like to make a purchase for 2024, please contact us at cee@che.ufl.edu.

We hope you enjoy!

Sincerely,

Donald P. Visco, Jr.,
Editor, CEE
