CEE's Annual Grad Guide

for 2014-2015

The following pages feature schools that offer graduate education programs in chemical engineering and related fields. By advertising their programs in this annual graduate education issue, and on our website at <http://www.che.ufl.edu/cee/>,

these schools have financially supported *CEE*'s ability to continue serving the needs of the international community of educators in chemical engineering.

CEE (Chemical Engineering Education) is the premier archival journal for chemical engineering educators.
