

Invitation for Editorial Contributions

Chemical Engineering Education publishes editorials in this space that concern subjects of current relevance to the community of chemical engineers.

The topic is normally controversial and the author is encouraged to clearly state his or her opinion on the issue and the rationale for the stated opinion.

The editorial should not exceed one journal page (approximately 400 words) in length and should be submitted electronically to

cee@che.ufl.edu

Although submissions are not sent out for review, the editors provide feedback when they feel it is appropriate and reserve the right to make editorial changes or to refuse to publish material that they consider inappropriate.

The deadlines for inclusion in each issue are

<i>Winter Issue</i>	<i>October 15th</i>
<i>Spring Issue</i>	<i>January 15th</i>
<i>Summer Issue</i>	<i>April 15th</i>
<i>Fall Issue</i>	<i>July 15th</i>
