DEPARTMENTAL ORDER FORM

University/Dept: _____

Dept Contact: _____

Select the subscription(s) you wish to purchase:

I am ordering _____ **print** subscription(s) for 2025 (4 issues per subscription). \$35/subscription US shipping; \$100/subscription non-US shipping.

I am ordering or renewing a **digital subscription** (access from 1/1/25 to 12/31/25). \$200 for one year of department access.

For print subscriptions, please list your complete **shipping address**:

Digital subscriptions use **domain names and/or IP addresses** to provide access. An Internet Protocol (IP) address is the unique identifying number assigned to every device connected to the internet. If ordering a new digital subscription, provide the domain and/or IP address(es) for your department. Examples: IP address (e.g., 142.58.103.1), IP range (e.g., 142.58.103.1 - 142.58.103.4), IP range with wildcard '*' (e.g., 142.58.*.*)

The total cost for the order is \$_____. Send a check (made out to "Chemical Engineering Education") and this order form to the address listed above. Credit card payments can be made via PayPal to cee@che.ufl.edu. For an invoice and payment link, contact cee@che.ufl.edu.

CLAIMS

Proper claims of non-receipt and free replacement must be made within 90 days of publication for the exact ship-to address originally provided. CEE reserves the right to deny excessive claims.
