Protect Endangered Earth

endangered—Being at risk of becoming extinct, or dying without any survivors: The giant panda is an endangered animal.

protect—To keep safe from danger or harm; guard; defend: Some people keep a guard dog to protect their property.

earth—1. Earth: The planet on which we live. Earth is the third planet from the sun in our solar system. 2. Dry land; the ground: every creature that walks the earth. 3. Dirt; soil: There are many minerals in the earth.
