

THE FLORIDA ENTOMOLOGIST

INDEX TO VOLUME 45, 1962

- Aedes aegypti*, effect on age and time of day on avidity, 93
- Amblyseius cannaensis*, n. sp., 4
- citri*, n. sp., 1
- clausae*, n. sp., 1
- gracilisetae*, n. sp., 4
- iphiformis*, n. sp., 6
- macrosetae*, n. sp., 3
- popularis*, n. sp., 18
- precipitans*, n. sp., 18
- solens*, n. sp., 17
- Amblyseius aridus*, n. sp., 23
- cessator*, n. sp., 21
- consors*, n. sp., 22
- crisobalensis*, n. sp., 23
- delconi*, n. sp., 7
- dimidatus*, n. sp., 25
- hystrix*, n. sp., 6
- limonicus*, 63
- mesembrinus*, 63
- ohioensis*, n. sp., 24
- peregrinus*, 60
- sanblasensis*, n. sp., 24
- saurus*, n. sp., 19
- seissor*, n. sp., 26
- silbelius*, n. sp., 21
- tennesseensis*, n. sp., 19
- urceus*, n. sp., 22
- Annelida as indicator species, 162
- Aphis gossypii*, 103
- spiraecola*, 103
- Araneida as indicator species, 162
- Archipsocus frater*, distribution and life history, 149
- Attagenus piceus*, 45
- Augochlora pura mosieri*, antennal anomaly, 195
- Beck, Elisabeth C., article by, 89
- Blickle, R. L., article by, 153
- Boyer, W. P., article by, 121
- Calliphora vicina*, 45
- Carposina*, sp., 45
- Cheletomimus berlesei*, 134
- denmarki*, 134
- Cheyletia cordovens*, n. sp., 129
- scutellata*, n. sp., 130
- wellsi*, 132
- Cheyletidae, new genera and species, 129
- Chiapacheylus edentata*, n. sp., 135
- n. gen., 135
- Chironomidae, new Florida spp., 89
- Chrionomus alatus*, n. sp., 91
- boydi*, n. sp., 91
- lobus*, n. sp., 89
- Chrysops hyalinus*, 68
- new Florida records, 67
- tidwelli*, n. sp., 67
- Clifford, Carleton M., Jr., article by, 139
- Conoderus falli* as indicator species, 162
- Cydnodromus collegae*, n. sp., 15
- comitatus*, n. sp., 17
- gracilis*, n. sp., 9
- interfolius*, n. sp., 16
- marinellus*, n. sp., 8
- planatus*, n. sp., 9
- DeLeon, Donald, article by, 11
- article by, 129
- Denmark, Harold A., article by, 57
- article by, 139
- Dumas, B. A., article by, 121
- Eggs of insects, color change, 81
- Farr, Thomas H., article by, 191
- Florida Entomological Society, minutes of 44th annual meeting, 47
- minutes of 45th annual meeting, 197
- Forficula auricularia* as indicator species, 162
- Frost, S. W., article by, 175
- Galendromus annectens*, 63
- delicatus*, n. sp., 14
- ferrugineus*, n. sp., 14
- floridanus*, 63
- juniperi*, 15
- juniperoides*, n. sp., 15
- occidentalis*, 63
- ruralis*, n. sp., 12
- Geometridae, eggs, 109
- Gomphus consanguis*, taxonomic status, 29
- rogersi*, 36

- Gouck, H. K., article by, 93
 Griffiths, James T., article by, 71
Grallacheles bakeri, n. sp., 135
 n. gen., 135
Gryllus assimilis as indicator species, 162
 Hetrick, L. A., article by, 77
 Hille Ris Lambers, D., article by, 143
 Human intestine, insect infestations, 45
Hydroptila, Florida records, 153
 Hydroptilidae of Florida, 153
Ips, stridulating organs, 43
 Jones, Calvin M., article by, 67
 Light-trapping in winter at Archbold Biological Station, 175
Macroseius buscutatus, 59
Malacosoma americana, egg hatching, 77
Mayatrachia, Florida records, 154
Mexeches aztecorum, n. sp., 133
 cunliffei, n. sp., 132
 intermedius, n. sp., 133
 n. gen., 132
 Mockford, Edward L., article by, 149
 Muma, Martin H., article by, 1
 article by, 57
Neotrichia, Florida records, 154
 Norman, Paul A., article by, 103
Ochrotrichia, Florida records, 154
Ornithodoros nr. *capensis*, established on Bush Key, 139
Orthotrichia, Florida records, 154
Oxyethira, Florida records, 154
Paraamblyseius lunatus, n. sp., 8
 n. gen., 8
 Peterson, Alvah, article by, 81
 article by, 109
Phaenicia cuprina, 45
 Philip, Cornelius B., article by, 67
 Phytoseiidae, intraspecific variation in, 57
 new species from Florida, 1
 new spp. from s. e. United States, 11
Phytoseius floridanus, n. sp., 9
Piophila casei, 45
Polypedilum parascalaenum, n. sp., 91
 Predaceous insects, effect of time of day on surveys, 121
Prosapia bicincta as indicator species, 162
 Rhoades, W. C., article by, 161
Schildia jamaicensis, n. sp., 191
 Scott, Harold George, article by, 45
 Sivik, Frank P., article by, 195
 Smith, Carroll N., article by, 93
Solenopsis saevissima, effects of eridication program, 161
 Tabanidae, new North American, 67
Tabanus aranti, 69
Tanytus clavatus, n. sp., 92
Tetracha carolina as indicator species, 162
 virginica as indicator species, 162
Toxoptera aurantii, 103
Toxopterella, key to, 145
 smithi, n. sp., 143
 a third species from N. Amer., 143
 Tristeza virus, insect transmission, 103
Trogoderma versicolor, 45
 Trogdon, Richard P., article by, 29
Typhlodromella nodosus, n. sp., 11
 Westfall, Minter J., Jr., article by, 29
 Whitcomb, W. H., article by, 121
 Wilkinson, R. C., article by, 43
 Zineb, rust mite control with, 71
