

**"...only once in 5000"**

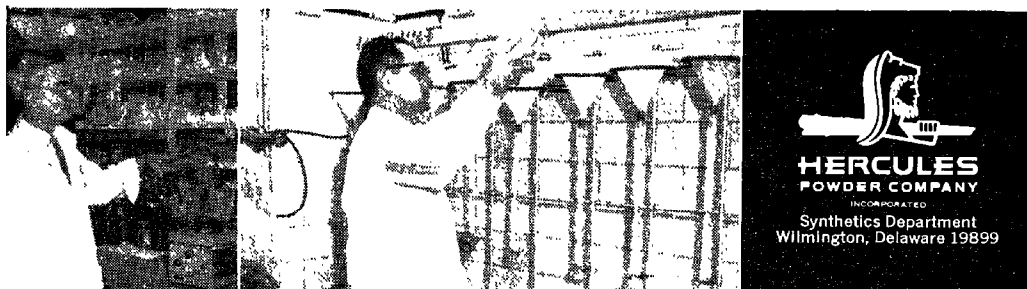

**These are Hercules research people in their daily task of screening, evaluating and**

**developing compounds for our growing line of agricultural chemicals. So insistent**

**are they that Hercules products be the very best in the field...in effectiveness**

**HERCULES**  
POWDER COMPANY  
INCORPORATED  
Synthetics Department  
Wilmington, Delaware 19899

SA64-1

**and safety...that only one compound out of 5000 tested is ever marketed.  
"Mad Scientists"?...No, but patient and devoted, and we're proud of them.**
