

### MINI-GRANTS FOR STUDENTS

The Florida Entomological Society has established a fund for 1982-1983 to support entomological research by students. We anticipate that students will use the money for supplies, publication costs, reprints, computer time, or other items connected with research (as opposed to coursework). Requests should not exceed \$50.00.

Applicants must be members of the Florida Entomological Society. Deadline for applying is 14 February 1983. Mini-grants will be awarded in March, 1983. The requests will be voted on by the members of the Student Activities Committee. Grant requests should contain the following information:

1. Student's name and address
2. School and status (year, degree sought, etc.)
3. Amount requested
4. Justification (limit to 200 words)

Please send requests to:

### FOR YOUR INFORMATION

"For Your Information" is a feature that summarizes the motions made and voted upon at recent meetings of the FES Executive Committee. See the inside cover of this issue for the list of Executive Committee members.

The following items are from the 17 November 1982 meeting at the Doyle Conner Building, Gainesville, FL.

1) Wojcik moved that "there should be no additional cost for adding family members to an existing active membership." Seconded by McCoy; motion carried unanimously.

2) Wright moved that registration fees be increased by \$5.00 across the board beginning with the next annual meeting (66th in 1983)." Seconded by McCoy; motion carried unanimously. The new registration fees for the annual meetings will be \$35.00 for full members and \$17.00 for student members.
