(An International Journal for the Americas)

Volume 72, No. 3

September, 1989

## TABLE OF CONTENTS

### SYMPOSIUM: ADVANCES IN INTEGRATED PEST MANAGEMENT PROGRAMS FOR ORNAMENTAL PLANTS

|                                                                                                                                                                                         |     |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| <i>Preface</i> .....                                                                                                                                                                    | 391 |
| KOEHLER, C. S.— <i>Prospects of Implementation of IPM Programs for Ornamental Plants</i> .....                                                                                          | 391 |
| PARRELLA, M. P., V. P. JONES, M. S. MALAIS, AND K. M. HEINZ— <i>Advances in Sampling in Ornamentals</i> .....                                                                           | 394 |
| RAUPP, M. J., J. A. DAVIDSON, C. S. KOEHLER, C. S. SADOFF, AND K. REICHELDERFER— <i>Economic and Aesthetic Injury Levels and Thresholds for Insect Pests of Ornamental Plants</i> ..... | 403 |
| OSBORNE, L. S., AND R. D. OETTING— <i>Biological Control of Pests Attacking Greenhouse Grown Ornamentals</i> .....                                                                      | 408 |
| NIELSEN, D. G.— <i>Exploiting Natural Resistance as a Management Tactic for Landscape Plants</i> .....                                                                                  | 413 |

|                                                                                                                                                                                                              |     |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| COOK, C.— <i>Philogenia redunca, A New Damselfly From Ecuador (Odonata: Megapodagrionidae)</i> .....                                                                                                         | 419 |
| DONNELLY, T. W.— <i>A New Species of Philogenia From Honduras (Odonata: Megapodagrionidae)</i> .....                                                                                                         | 425 |
| DONNELLY, T. W.— <i>Three New Species of Epigomphus From Belize and Mexico (Odonata: Gomphidae)</i> .....                                                                                                    | 428 |
| DONNELLY, T. W.— <i>Protoneura sulfurata, A New Species of Damselfly From Costa Rica, With Notes on the Circum Caribbean Species of the Genus (Odonata: Protoneuridae)</i> .....                             | 436 |
| SPENCER, K. A., AND D. HAVRANEK— <i>A New Species of Agromyzidae (Diptera) From Venezuela</i> .....                                                                                                          | 441 |
| PEÑA, J. E., R. J. GAGNÉ, AND R. DUNCAN— <i>Biology and Characterization of Prodiptosis longifolia (Diptera: Cecidomyiidae) on Lime in Florida</i> .....                                                     | 444 |
| STANGE, L. A.— <i>Review of the New World Dimarini, With the Description of a New Genus From Peru (Neuroptera: Myrmeleontidae)</i> .....                                                                     | 450 |
| O'BRIEN, C. W., AND H. R. PAJANI— <i>Two Indian Bagous Weevils (Coleoptera: Curculionidae), Tuber Feeders of Hydrilla verticillata (Hydrocharitaceae), One a Potential Biocontrol Agent in Florida</i> ..... | 462 |
| HOWARD, F. W., AND M. A. SOLIS— <i>Distribution, Life History, and Host Plant Relationships of Mahogany Webworm, Macalla thyrsisalis (Lepidoptera: Pyralidae)</i> .....                                      | 469 |
| GIBLIN-DAVIS, R. M., K. GERBER, AND R. GRIFFITH— <i>Laboratory Rearing of Rhyncophorus cruentatus and R. palmarum (Coleoptera: Curculionidae)</i> .....                                                      | 480 |
| PROKOPY, R. J., AND D. R. PAPAJ— <i>Can Ovipositing Rhagoletis pomonella Females (Diptera: Tephritidae) Learn to Discriminate Among Different Ripeness Stages of the Same Host Biotype?</i> .....            | 489 |
| HILBURN, D. J.— <i>A Non-Migratory, Non-Diapausing Population of the Monarch Butterfly, Danaus plexippus (Lepidoptera: Danaidae), in Bermuda</i> .....                                                       | 494 |

# FLORIDA ENTOMOLOGICAL SOCIETY

## OFFICERS FOR 1989-90

*President* ..... J. E. Eger  
*President-Elect* ..... J. F. Price  
*Vice-President* ..... J. L. Knapp  
*Secretary* ..... J. A. Coffelt  
*Treasurer* ..... A. C. Knapp

Other Members of the Executive Committee ..... {  
R. S. Patterson  
C. O. Calkins  
F. Bennett  
J. E. Peña  
N. Hinkle  
M. F. Antolin  
J. R. McLaughlin

## PUBLICATIONS COMMITTEE

*Editor* ..... J. R. McLaughlin

### Associate Editors

|                 |                    |                      |
|-----------------|--------------------|----------------------|
| Arshad Ali      | Carl S. Barfield   | Ronald H. Cherry     |
| John B. Heppner | Michael D. Hubbard | Lance S. Osborne     |
| John Sivinski   | Omelio Sosa, Jr.   | Howard V. Weems, Jr. |
| Willis W. Wirth |                    |                      |

*Business Manager* ..... A. C. Knapp

FLORIDA ENTOMOLOGIST is issued quarterly—March, June, September, and December. Subscription price to non-members is \$30 per year in advance, \$7.50 per copy. Membership in the Florida Entomological Society, including subscription to *Florida Entomologist*, is \$25 per year for regular membership and \$10 per year for students.

*Inquires regarding membership, subscriptions, and page charges should be addressed to the Business Manager, P. O. Box 7326, Winter Haven, FL 33883-7326.*

*Florida Entomologist* is entered as second class matter at the Post Office in DeLeon Springs and Winter Haven, FL.

Manuscripts from *all* areas of the discipline of entomology are accepted for consideration. At least one author must be a member of the Florida Entomological Society. Please consult "Instructions to Authors" on the inside back cover. Submit the *original manuscript, original figures and tables, and 3 copies* of the entire paper. Include an abstract in Spanish, if possible. Upon receipt, a manuscript is acknowledged by the Editor and assigned to an Associate Editor who sends it out for review by at least 3 knowledgeable peers. Reviewers are sought with regard only for their expertise; Society membership plays no role in their selection. Page charges are assessed for printed articles.

Manuscripts and other editorial matter should be sent to the Editor, JOHN R. McLAUGHLIN, 4628 NW 40th Street, Gainesville, FL 32606.

This issue mailed September 15, 1989
