FLORIDA ENTOMOLOGIST
(An International Journal for the Americas)

Volume 75, No. 1 March, 1992

TABLE OF CONTENTS

Announcement—75th Annual Meeting .................................................. i

SYMPOSIUM: INSECT BEHAVIORAL ECOTOLOGY — ‘91

FRANK, J. H., AND E. D. MCCOY—Introduction To The Behavioral Ecology of
Immigration. The Immigration of Insects to Florida, With a Tabulation of
Records Published Since 1970 .................................................... 1

NADEL, H.—Escapade and Accomplice: The Naturalization of Exotic Ficus and
Their Associated Faunas in Florida ........................................... 29

KOPTUR, S.—Plants with Extrafloral Nectaries and Ants in Everglades Habitats
38

HALL, H. G.—DNA Studies Reveal Processes Involved in the Spread of New
World African Honeybees .................................................... 51

HENGSTVELD, R.—Potential and Limitations of Predicting Invasion Rates ...... 60

ALLEN, J. C., AND Y. YANG—Functional Response, Reproductive Function and
Movement Rate of a Grazing Herbivore: The Citrus Rust Mite on the Orange
72

Research Reports

HODKINSON, I. D.—New Genus of Psyllid (Homoptera: Psylloidea: Aphalaridae)
From Florida ................................................................. 84

FLOWERS, R. W., AND R. T. YAMAMOTO—Feeding on Non-Host Plants by Par-
tially Maxillectomized Tobacco Hornworms (Lepidoptera: Sphingidae) ... 89

SPINELLI, G. R., AND W. W. WIRTH—New Records and Synonymy in Patagon-
ian Atrichopogon (Diptera: Ceratopogonidae) ................................. 93

IRÁNEZ-BERNAL, S.—Two New Species of Moth-Flies, Genus Psychoda Latreille,
From Northern Puebla, Mexico (Diptera: Psychodidae) ..................... 97

DARLINGTON, J. P. E. C.—Survey of Termites in Guadeloupe, Lesser Antilles
(Isoptera: Kalotermidae) .......................................................... 104

ATKINSON, T. H., J. R. MANGOLD, AND P. G. KOEHLER—Two Neotropical Cock-
roaches of the Genus Ischnoptera (Dictyoptera: Blattellidae) Established in
Florida ................................................................. 109

OFFICERS FOR 1990-91

President .................................................. J. L. Knapp
President-Elect ................................................. D. F. Williams
Vice-President ................................................ J. E. Peña
Secretary .................................................... D. G. Hall
Treasurer ...................................................... A. C. Knapp

Other Members of the Executive Committee

J. F. Price  J. E. Peña  J. R. Cassani
J. R. McLaughlin  O. Liburo  F. Oi

PUBLICATIONS COMMITTEE

J. R. McLaughlin, USDA/ARS, Gainesville, FL ........................................... Editor

Associate Editors

Agricultural, Extension, & Regulatory Entomology
James R. Brown—Disease Vector Ecology & Control Center, NAS, Jacksonville, FL
Richard K. Jansson—Tropical Research & Education Center, Homestead, FL
Michael G. Waldvogel—North Carolina State University, Raleigh, NC

Apiculture
Stephen B. Bambara—North Carolina State University, Raleigh, NC

Biological Control & Pathology
Ronald M. Weseloh—Connecticut Agricultural Experiment Sta., New Haven, CT

Book Reviews
J. Howard Frank—University of Florida, Gainesville

Chemical Ecology, Physiology, Biochemistry
Louis B. Bjostad—Colorado State University, Fort Collins, CO

Ecology & Behavior
Theodore E. Burk—Creighton University, Omaha, NE
John H. Brower—Stored Product Insects Research Laboratory, Savannah, GA

Forum & Symposia
Carl S. Barfield—University of Florida, Gainesville

Genetics & Molecular Biology
Sudhir K. Narang—Bioscience Research Laboratory, Fargo, ND

Medical & Veterinary Entomology
Arshad Ali—Central Florida Research & Education Center, Sanford, FL

Resumen
J. E. Peña—Tropical Research & Education Center, Homestead, FL

Systematics, Morphology, and Evolution
Michael D. Hubbard—Florida A&M University, Tallahassee
Howard V. Weems, Jr.—Florida State Collection of Arthropods, Gainesville
Willis W. Wirth—Florida State Collection of Arthropods

Business Manager ............................................. A. C. Knapp

FLORIDA ENTOMOLOGIST is issued quarterly—March, June, September, and December. Subscription price to non-members is $30 per year in advance, $7.50 per copy; institutional rate is $30 per year. Membership in the Florida Entomological Society, including subscription to Florida Entomologist, is $25 per year for regular membership and $10 per year for students.

Inquiries regarding membership and subscriptions should be addressed to the Business Manager, P. O. Box 7326, Winter Haven, FL 33885-7326.

Florida Entomologist is entered as second class matter at the Post Office in DeLeon Springs and in Winter Haven, FL.

Manuscripts from all areas of the discipline of entomology are accepted for consideration. At least one author must be a member of the Florida Entomological Society. Please consult "Instructions to Authors" on the inside back cover.

This issue mailed March 31, 1992
ANNOUNCEMENT 75TH ANNUAL MEETING
FLORIDA ENTOMOLOGICAL SOCIETY

The 75th annual meeting of the Florida Entomological Society will be held August 10-12, 1992 at the Indian River Plantation Resort and Conference Center, 555 N.E. Ocean Boulevard, Hutchinson Island, Stuart, FL 34996 (407-225-3700) (FAX 407-225-0003). Registration forms and information will be mailed to members and will appear in the Newsletter.

CALL FOR PAPERS

The deadline for submission of papers and posters for the 75th annual meeting of the Florida Entomological Society is May 15, 1992. The meeting format will be similar to that in the past with eight minutes allotted for presentation of oral papers (with two minutes for discussion) and separate sessions for members who elect to present a Poster Exhibit. There will be student paper and poster sessions with awards as in previous years. Students participating in the judged sessions must be members of the Society and registered for the meeting. Inquiries should be directed to:
