OFFICERS FOR 1990-91

President .................................................. J. L. Knapp
President-Elect ........................................ D. F. Williams
Vice-President .......................................... J. E. Peña
Secretary .................................................. D. G. Hall
Treasurer ................................................ A. C. Knapp

Other Members of the Executive Committee
J. F. Price  J. E. Peña  J. R. Cassani
J. R. McLaughlin O. Liburdo F. Oi

PUBLICATIONS COMMITTEE

J. R. McLaughlin, USDA/ARS, Gainesville, FL ........................................ Editor

Associate Editors

Agricultural, Extension, & Regulatory Entomology
James R. Brown—Disease Vector Ecology & Control Center, NAS, Jacksonville, FL
Richard K. Jansson—Tropical Research & Education Center, Homestead, FL
Michael G. Waldvogel—North Carolina State University, Raleigh, NC

Apiculture
Stephen B. Bambara—North Carolina State University, Raleigh, NC

Biological Control & Pathology
Ronald M. Weseloh—Connecticut Agricultural Experiment Sta., New Haven, CT

Book Reviews
J. Howard Frank—University of Florida, Gainesville

Chemical Ecology, Physiology, Biochemistry
Louis B. Bjostad—Colorado State University, Fort Collins, CO

Ecology & Behavior
Theodore E. Burk—Creighton University, Omaha, NE
John H. Brower—Stored Product Insects Research Laboratory, Savannah, GA

Forum & Symposia
Carl S. Barfield—University of Florida, Gainesville

Genetics & Molecular Biology
Sudhir K. Narang—Bioscience Research Laboratory, Fargo, ND

Medical & Veterinary Entomology
Arshad Ali—Central Florida Research & Education Center, Sanford, FL

Resumen
J. E. Peña—Tropical Research & Education Center, Homestead, FL

Systematics, Morphology, and Evolution
Michael D. Hubbard—Florida A&M University, Tallahassee
Howard V. Weems, Jr.—Florida State Collection of Arthropods, Gainesville
Willis W. Wirth—Florida State Collection of Arthropods

Business Manager ............................................. A. C. Knapp

Florida Entomologist is issued quarterly—March, June, September, and December. Subscription price to non-members is $30 per year in advance, $7.50 per copy; institutional rate is $30 per year. Membership in the Florida Entomological Society, including subscription to Florida Entomologist, is $25 per year for regular membership and $10 per year for students.

Inquiries regarding membership and subscriptions should be addressed to the Business Manager, P. O. Box 7326, Winter Haven, FL 33883-7326.

Florida Entomologist is entered as second class matter at the Post Office in DeLeon Springs and in Winter Haven, FL.

Manuscripts from all areas of the discipline of entomology are accepted for consideration. At least one author must be a member of the Florida Entomological Society. Please consult "Instructions to Authors" on the inside back cover.

This issue mailed June 26, 1992
ANNOUNCEMENT 75TH ANNUAL MEETING
FLORIDA ENTOMOLOGICAL SOCIETY

The 75th annual meeting of the Florida Entomological Society will be held August 10-12, 1992 at the Indian River Plantation Resort and Conference Center, 555 N.E. Ocean Boulevard, Hutchinson Island, Stuart, FL 34996 (407-225-3700) (FAX 407-225-0003). Registration forms and information will be mailed to members and will appear in the Newsletter.

FLORIDA ENTOMOLOGICAL SOCIETY SEEKS EDITOR

The Florida Entomological Society is soliciting interested and qualified persons as applicants for Editor of Florida Entomologist, effective June 1992 or as soon thereafter as possible. Provided a qualified individual can be located soon, opportunity will be provided to work with the current Editor in order to facilitate the transition. The Florida Entomological Society does offer negotiated salary compensation for its Editor, and a cadre of Associate Editors will continue to work with the Editor to facilitate the review, acceptance and/or edition of submitted manuscripts. Job descriptions for the Editor and duties of Associate Editors are provided.

Persons interested in this position should contact Dr. Carl S. Barfield, Professor of Entomology, Building 970 Hull Road, University of Florida, Gainesville, FL 32611 by mail or call (904) 392-1901, ext. 141. Fax communications to (904) 392-0190.
