ERRATA

There is an error in the article of Florida Entomologist 98(4): 1134–1147, i.e., Koi, Sandy and Jaret Daniels—New and revised life history of the Florida hairstreak *Eumaeus atala* (Lepidoptera: Lycaenidae) with notes on its current conservation status.

On Page 1135, the last sentence in the 2nd full paragraph should read: “Of 186 species listed in the ‘South Florida Multi-Species Recovery Plan’ by the U.S. Fish and Wildlife Service, Southeast Region, in 1999, 30 were located solely in the pine rockland community (U.S. Fish and Wildlife Service 1999).”

The correct reference for this citation is: “U.S. Fish and Wildlife Service. 1999. South Florida Multi-Species Recovery Plan. Ecological Field Services, Atlanta, Georgia. http://www.fws.gov/verobeach/ListedSpeciesMSRP.html (last accessed 7 Mar 2016).” The authors and editors welcome the chance to correct the error.

There is an error in the article of Florida Entomologist 99(1): 21–25, i.e., Peronti, Ana Lúcia B. G., Nilza Maria Martinelli, Júlia Godoy Alexandrino, Alberto Luiz Marsaro Júnior, Angélica Maria Penteado-Dias, and Lúcia M. Almeida—Natural enemies associated with *Maconellicoccus hirsutus* (Hemiptera: Pseudococcidae) in the state of São Paulo, Brazil.

On Page 23, the last line in the subsection “Neuroptera” should read “Eight species of Chrysopidae were associated with *M. hirsutus*, but of these only *Chrysoperla carnea* (Stephens) is known in the Neotropical Region (Chong et al. 2015).” The authors and editors welcome the chance to correct the error.
