Florida Jewish Demography

Ira M. Sheskin, Editor

Published by
the University of Miami Judaic Studies Program

Florida Jewish Demography is published to inform an interdisciplinary community of scholars, educators, and Jewish professionals in the areas of Jewish demography and geography. All interested in ethnicity in Florida, particularly in the Jewish population that now makes up 5 percent of the population of the state, will find this Newsletter of interest.

Florida Jewish Demography is published 1-2 times per year.

Six back issues are available. For copies of these, please remit \$5 (libraries \$10) (payable to UM Judaic Studies Program) to the Department of Geography, University of Miami, Coral Gables, Florida 33124.

A subscription to future issues is also \$5 (libraries \$10).
