

THE FLORIDA

GEOGRAPHER

The Florida Society of Geographers was chartered in 1964 as a non-profit organization for the purpose of furthering professionalism in geography through application of geographic techniques in all areas of education, government, and business in Florida.

The Society supports these objectives by promoting acquaintance and discussion among its members and with scholars and practitioners in related fields by stimulating research and field investigation, by encouraging publication of scholarly studies, and by performing services to aid the advancement of its members and the field of geography in Florida.

The Society holds meetings once a year, usually in February. At this meeting, papers are presented and matters of mutual concern are discussed. Meetings move geographically to different parts of the state and always include field trips to allow participants to gain first hand knowledge through field experience.

Persons interested in membership in the Florida Society of Geographers should contact:

Ira M. Sheskin
Editor, *The Florida Geographer*
Department of Geography, Box 248152
University of Miami
Coral Gables, Florida 33124

Regular membership is \$10 per calendar year; student membership is \$5. Membership includes a subscription to this journal.
