

Florida Society of **GEOGRAPHERS**

The Florida Society of Geographers was chartered in 1964 as a non-profit organization, for the purpose of furthering professionalism in geography through the application of geographic techniques in all areas of education, government, and business in Florida. The society supports these objectives by promoting acquaintance and discussion among its members and with scholars and practitioners in related fields by stimulating research and field investigation, by encouraging publication of scholarly studies, and by performing services to aid the advancement of its members and the field of geography in Florida.

Persons interested in membership in The Florida Society of Geographers should contact:
