

NECROLOGY

WILLIAM V. SCHOCK

William V. Scock, after a long illness, died on September 6, 1964. He was a native of Albion, Illinois, and had lived in Winter Haven since 1923. He was a graduate of the University of Illinois, a veteran of World War I, and a member of the Frierson-Nichols American Legion Post 8.

Mr. Scock was a long-time citrus grower and was active in citrus and community affairs. He was a former board member of the Florence Citrus Growers Association, and a member of the First Presbyterian Church of Winter Haven. He is survived by his widow, Mrs. Anne Batterton Scock; two daughters, Mrs. Harvey B. Snively, Jr., of Winter Haven, and Mrs. Robert S. Botkin of Ft. Lauderdale; and six grandchildren.

frequently referred to as the "Dean of the Florida Citrus industry."

His untiring efforts as a director of Florida Citrus Mutual were recognized by this organization when it named the new headquarters in Lakeland the A. B. Michael Auditorium in honor of his work.

He is survived by a daughter, Mrs. Jeannette Lier of Wabasso; two sons, Joe Michael of Wabasso and A. B. Michael, Jr., of Delray Beach; a brother, Claude Michael of Hollywood; three sisters, Mrs. Molly Bessy and Miss Almata Michael of Holly Hill and Mrs. Charles T. Conover of Seattle, Washington; eight grandchildren and two great-grandchildren.

A. B. MICHAEL

A. B. Michael, 86, pioneer Indian River Citrus Grower died February 28, 1964, as a result of injuries received in an automobile accident.

Mr. Michael moved to Florida from Virginia with his parents at the age of 10. During his early years he captained a trade schooner on the Indian River. On these trips he observed the unusually high quality of the grapefruit grown on the rich hammock soils along the Indian River. During the big freeze of 1894-95, he observed that Orchid Island at Wabasso was practically frost free. It was these observations which influenced him to plant his first grove on Orchid Island in 1902.

Mr. Michael, in spite of his advanced years, had remained active in business. He was president of Deerfield Groves Company, a director of the Indian River Citrus League and vice-president emeritus of Florida Citrus Mutual. He was one of the founders of the American Fruit Growers, Inc., which later became Blue Goose, Inc. He and the late E. P. Porcher pioneered the marking of citrus fruit. Their experiments eventually led to the present electric marking process. Mr. Michael served on practically every important Florida Citrus industry committee during the past fifty years. He was always a champion of quality fruit and gave unselfishly of his time and money for the benefit of the industry. He was

WILLIAM GARDNER COWPERTHWAITHE

William Gardner Cowperthwaite was born May 10, 1919, in Brooklyn, New York. He was one of ten persons who lost their lives in the crash of a commercial airliner on February 3, 1964, at the Gainesville Municipal Airport.

Educated in New Jersey public schools, he received the following degrees from Rutgers University: Bachelor of Science in Agriculture in 1942; Master of Science in 1948; and Doctor of Philosophy in 1950. His doctorate was in the fields of Plant Physiology and Soils.

He entered the United States Coast Guard in 1942 as an enlisted man and was discharged in 1946 as a Lieutenant. During World War II he served aboard a frigate in the Caribbean and Atlantic Theatres of Operation.

Dr. Cowperthwaite held the following positions: Horticulturist, Florida Agricultural Experiment Station, Bradenton, 1950-52; Nematologist, E. I. duPont de Nemours, Kennett Square, Pa., 1952-54; Production Manager, Florida Growers Inc., Delray Beach, 1954-57; Assistant Commissioner, State Plant Board, Gainesville, 1957; Commissioner, State Plant Board, 1957-61; Director, Division of Plant Industry, Florida Department of Agriculture, Gainesville, 1961-1964.

Dr. Cowperthwaite was a member of the National Plant Board, Southern Plant Board, Florida Nurserymen and Growers Association (lifetime member), Alpha Zeta, Gamma Sigma Delta and Sigma Chi.

He was a vestryman of the Holy Trinity Episcopal Church in Gainesville and served as the Institutional Representative to Boy Scout Troop 83.

Dr. Cowperthwaite is survived by his wife, June, and their three children: Robert, 15, Stephen, 14 and Ann, 11.

He is also survived by his parents, Mr. and Mrs. Howard Cowperthwaite, and a brother, Raymond Cowperthwaite.

Bill Cowperthwaite was respected and loved by all who knew and worked with him. He is greatly missed.

ALBERT MORRELL

Albert Morrell, a life member of the Horticultural Society and prominent citrus grower, died September 11, 1964, at age 55, in Orlando, his home since 1945. A native of Philadelphia, he came to Central Florida in 1934 and soon became active in the growing of citrus in the Clermont area where he lived until moving to Orlando in 1945.

Mr. Morrell was a public-spirited individual, lending his support to the various progressive movements and organizations in the citrus industry. He was a charter member of the original Florida Citrus Growers Organization, the forerunner of Florida Citrus Mutual. Few growers in Florida were so well informed as Al Morrell regarding world citrus conditions and the progress of citrus research. He traveled widely, visiting practically all the citrus producing areas of the world. In 1952, at the invitation of the Israeli Government, he spent ten weeks there as an advisor to the Palestine citrus industry. At the time the U. S. Government requested him to make a survey for technical aid to Israel under the Point Four Program. His last extensive trip, 1963, took him to Brazil to attend the Third Annual Conference of the International Organization of Citrus Virologists.

Mr. Morrell is survived by his widow, Dorothy; two sons, Henry and Lawrence both of Orlando; a daughter, Mrs. Linda Spitzer of Gainesville, and four grandchildren. His death results in a very real loss to the Florida citrus industry of a progressive, public-spirited, and knowledgeable international contact. His cheerful enthusiasm and helpfulness will be sorely missed by a host of friends both in this country and abroad.

S. LLOYD FRISBIE

S. Lloyd Frisbie, a longtime friend of the Florida Horticultural Society and an executive of The Citrus Industry magazine for more than 30 years, died February 27, 1964, at his home in Bartow. He had been ill with lung cancer for more than a year.

A lifelong newspaper man, Mr. Frisbie began his career as a printer's devil at the age of 10 on an Iowa newspaper owned by his father, S. L. Frisbie, I. Father and son were associated together in the printing and publishing business until 1917, when the elder Frisbie moved to Florida. He founded The Citrus Industry in 1920.

The younger Frisbie moved to Tampa in 1918 to join the advertising staff of the Tampa Tribune. He later became advertising manager and then business manager of the Tribune.

Mr. Frisbie moved to Bartow in 1930, to rejoin his father in the magazine and job printing business, and in 1931 established The Polk County Democrat as a weekly newspaper. It increased to semi-weekly publication in 1946.

He was advertising manager of The Citrus Industry until the death of his father in 1958, and then took on the additional duties of editor. He was the organizing and only chairman of Polk County Civil Defense and of the Polk County Ration Board during World War II. He was recognized by the Bartow Lions Club for his community service with the club's "outstanding citizen" award for 1942.

He had served as president of the Bartow Rotary Club and a director of the Bartow Chamber of Commerce. He was president of Associated Publications Corporation and of Frisbie Publishing Company, Inc.

Mr. Frisbie's survivors include his widow, Mrs. Marguerite B. Frisbie; two sons, Loyal and Richard Frisbie, who were associated with him in business; and four grandchildren.

GORDON PALMER

A native of Chicago, Illinois, Mr. Palmer was a son of the late Potter Palmer, Jr., who, with his brother Honore Palmer founded the Palmer Bank of Sarasota.

Mr. Palmer was married in 1946 in New York City to the former Miss Janis Hardage of Atlanta, who survives him.

Mr. Palmer was a man of many interests; he served as a Director of Palmer First National Bank & Trust Company for 13 years and as a Director of St. Armands Palmer Bank. He served as treasurer of the Guild of the Ringling Museum for many years. He had served as President of the Harvard Club of Sarasota. Mr. Palmer was a past-president of The Lychee Growers Association which helped to introduce the lychee fruit to our country. In 1956 he received the Sarasota County Soil Conservation award for his practices in conserving soil and water resources.

Mr. Palmer was a sustaining member of the Society. He always had a great appreciation for beautiful and exotic plants which he fulfilled as owner of the Palmer Nurseries at Osprey, Florida.

BASCOM D. BARBER

Bascom D. Barber, an active Horticultural Society member and a pioneer in Florida agriculture, passed away suddenly at his home in Clearwater, February 25, 1964.

Mr. Barber was born in Lexington, Kentucky on October 11, 1894 and moved to northwest Florida with his parents shortly after the turn of the century. He attended the University of Florida during the years 1911, 1912 and 1913 where he was an active member of Pi Kappa Alpha.

After leaving college, he worked for several years with the State Plant Board in the Wauchoa area on citrus virus problems. In September 1917, he joined Wilson & Toomer Fertilizer Company as a Horticulturist and Salesman. The years that followed found this warm personality active in all areas of Florida agriculture, especially the citrus growing regions. Mr. Barber was made General Sales Manager of Wilson & Toomer Fertilizer Company in 1928 and Vice President and Director of the Company in the early 1930's. Mr. Barber served his Company and Florida agriculture well throughout a long and productive career.

Mr. Barber was a member of the Clearwater Yacht Club, the Casado Social Club, The Florida Club, The Clearwater Country Club, a former President of the Clearwater Rotary Club, a former member of the Board of Governors of

the Clearwater Chamber of Commerce, a member of the Board of Directors, First Federal Savings & Loan Association in Clearwater. He was an Elk and a member of the Masonic Order. Mr. Barber was a successful citrus grower in Pinellas County for many years.

The loss of Mr. Barber's experience and leadership will be felt by our industry. The loss of Mr. Barber's personal strength and warm sense of humor will be greatly missed by all those with whom he worked for many years.

Mr. Barber is survived by his wife, Kathryn and three sons, all of Clearwater. Louis is in the citrus business, Harold is an Insurance Agent and Charles an Attorney.

WILLIAM L. WARING, JR.

William L. Waring, Jr., 77, president and chairman of the board of Lyons Fertilizer Company and past chairman of the board of the West Coast Fertilizer Company, died April 16, 1964 in Tampa.

A past president of the Florida Agricultural Research Institute, Mr. Waring was born in Essex County, Virginia in 1886. He quit school at the age of 14 to begin his career as a self-made leader of industry. Before moving to Tampa, Mr. Waring was a traffic manager for several rail lines and was stationed in cities from coast to coast, also seeing duty in Panama.

In 1919 he came to Tampa to manage the Gulf Fertilizer Company and in 1924 he organized the Lyons Fertilizer Company with the late C. W. Lyons.

Mr. Waring was a past president of the Greater Tampa Chamber of Commerce; organizer and first president of the Tampa Exchange Club; president of the Tampa Traffic Association; director of the Hillborough County Taxpayers Association; director of the University Club; president of the Palma Ceia Golf and Country Club; on the executive board of the Red Cross during World War II; and past chairman of the Committee of 100 of the Tampa Chamber of Commerce. He was senior warden of his church, St. John's Episcopal Church.

His survivors include his widow, Mrs. Louise McLane Waring and a sister, Mrs. Christine Walker, Raleigh, North Carolina.

REPORT ON FLORIDA AGRICULTURAL COUNCIL

I want to express my thanks for being allowed to be your representative on the Council, it has been a very rewarding experience for me.

The Agricultural Council was formed to support the agricultural agencies' various budgets.

It is composed of thirty-six member organizations with two delegates from each member organization.

The agricultural Council is trying through public relations to educate the Legislature and the people of Florida as to the importance of agriculture to the economy of Florida.

Dr. York, Provost of Agriculture, presented to the Council a proposed reorganization of the University of Florida agricultural programs. The principal objective of this reorganization was to provide closer integration of the various agricultural programs of the University, including those in research, teaching and extension. The Council endorsed the formation of the Institute of Food and Agricultural Sciences at the University.

The Council has given very careful consideration to the budgetary needs of the Agricultural units of the University for the next biennium. It is now in the process of organizing its efforts to provide strong and continuing support for these budgetary needs as they are presented to the State Budget Commission and the Legislature. It is currently preparing a detailed summary of the budgetary requirements of both the University and units of the State Department of Agriculture. The Council is also preparing another publication aimed at emphasizing to the members of the Legislature and the general public the importance of agriculture to Florida's economy; the potentials for further growth of agriculture; and the importance of the programs of the university of Florida, The State Department of Agriculture and The USDA. The Council is planning in cooperation with the Florida Farm Bureau, to participate in a series of meetings this winter aimed at presenting to the members of the Florida Legislature the budgetary needs of these agricultural programs within the state.

A member of the Agricultural Council was invited to make one of the major presentations at each of the D.A.R.E. meetings held at the University during May and June. They were asked to represent the agricultural organizations of the state in these meetings.

A special recognition should be given to Francis Branan, president of the Agricultural Council, for the very outstanding leadership which he has given to the group during the past year.

Respectfully submitted,
O. R. Minton, Representative

REPORT OF EXECUTIVE COMMITTEE 1964

Four meetings of the Executive Committee were held during 1964 with Dr. Herman J. Reitz presiding as Chairman. The following matters were discussed and appropriate action, where necessary, was taken.

On January 7th in Lake Alfred:

Treasurer R. R. Reed reported cash on hand for operating expenses as of January 1, 1964 as \$12,629.53. Some \$8,000 of this sum is committed for publishing Volume 76 of the Proceedings.

The Secretary reported a total registration at the 1963 Annual Meeting of 831. Of this number 610 were members and 221 were visitors or guests.

Following a discussion of the 1963 Annual Meeting it was moved and carried that

- (a) The Executive Committee invite selective members of trade magazines and the press to the Annual Meeting with complimentary registrations and banquet tickets at a cost not to exceed \$150.
- (b) The Secretary and Treasurer be instructed to work out a more equitable cost of banquet tickets under the Modified American and European plans.

In connection with reproducing Volumes 1-4 of the Proceedings it was moved and carried that

- (a) An index should be compiled, the style and form to be determined by the Indexer of the Society.
- (b) The edition containing this reproduction be priced at \$4.00 per copy.

An editorial committee was appointed to compile editorial guides or suggestions for authors in an effort to improve the quality of technical papers published in the Proceedings.

It was moved and carried that the Virology Fellowship be discontinued and that all monies remaining in this fund be returned to the general operating fund.

Committee appointments for 1964 were announced by the Chairman.

On May 12th in Lake Alfred

As instructed at the January meeting of the Executive Committee, the Survey Committee reported on facilities available for the 1965 Annual Meeting and announced that the 78th Annual Meeting would be held at the Carillon Hotel in Miami Beach, November 2-5, 1965. This action was approved by vote of the Executive Committee.

Because of certain difficulties experienced by the Treasurer, it was moved and carried that no orders for Proceedings be filled until full payment has been received in U. S. funds.

The Membership Committee reported setting-up sub-committees at the county level to encourage local memberships.

On September 25th in Miami Beach:

The Publication Committee reported that the reproduction of Volumes 1-4 was completed and that copies were now available.

The Publication Committee reported that 5 bids had been requested for printing the 1964 Proceedings. On the basis of bids received it was moved and carried that the contract for printing 1,700 copies be awarded to E. O. Painter Printing Company of DeLand.

The Editorial Committee reported the completion of the editorial guides for authors.

Four members of the Society (G. H. Blackmon, Edwin A. Menninger, G. Dexter Sloan and Dr. H. S. Wolfe) were designated by more than a two-thirds vote as Honorary Members of the Society.

It was moved and carried that the phrase "and approved by a majority vote of the Society" be deleted from the section of the By-Law pertaining to Honorary Members. The consensus was that it was impossible to obtain a majority vote of the Society at the Annual Business Meeting. This amendment was approved and recommended by the Executive Committee will be placed on the agenda for consideration by the membership at its Annual Business Meeting on November 5, 1964.

There was considerable discussion concerning the size of the work loads of the General officers, especially those of the Secretary and the Treasurer. Because of time limitation, no definite action was taken and the matter was tabled for further consideration at the November meeting of the Executive Committee.

On November 4th in Miami Beach:

In order to reduce the work loads of the Secretary and the Treasurer, it was moved and carried that the

- (1) Secretary be relieved of the following responsibilities:
 - (a) Assembling and coordinating of the program for the annual meeting;
 - (b) Handling of special and continuing orders for the Proceedings; and
 - (c) Supervising the compilation of the annual index of the Proceedings.
- (2) Treasurer be authorized to contract with a professional mailing service to handle all mailing to the general membership.

It was moved and carried that more recognition should be paid to past presidents of the Society. In the future their names will be listed in each volume of the Proceedings.

The President was directed to send a letter of appreciation to the Gulf Fertilizer Company for its very real contributions to the Society over the past 15 years, and especially for making it possible for Mrs. Alma Del Valle to devote so much time and effort to the Society's operation.

Respectfully submitted,
Ernest L. Spencer, Secretary

ANNUAL BUSINESS MEETING

November 5, 1964
Miami Beach, Florida

The meeting was called to order at 11:05 A.M. by President Willard M. Fifield.

Minutes of the 76th Annual Business Meeting held at Miami Beach, November 6, 1963, were approved as printed in Volume 76 of the Proceedings.

The report of the Executive Committee for 1964, as presented by Dr. Ernest L. Spencer, Secretary, was approved as read. This report is printed elsewhere in these Proceedings.

The report of Treasurer R. R. Reed was approved as read. This report, as amended through December 31, 1964, appears elsewhere in these Proceedings.

Since it is practically impossible to obtain a majority vote of the Society at an annual business meeting, it was moved and carried that the phrase "and approved by a majority vote of the Society" be deleted from the section of the By-Law pertaining to Honorary Members.

Special Committee Reports:

Florida Agricultural Council—O. R. Minton reviewed the activities of the Council during 1964. Emphasis was placed on the role the Council will play in obtaining adequate building and operating funds for agriculture in the 1965 session of the State Legislature.

Membership—As of October 31, 1964 membership in the Society totaled 1,578. J. D. Thullbery reported that 141 new members had joined the Society during the first 10 months of 1964.

Neurology—This report, as printed elsewhere in these Proceedings, was presented by Don S. Bryan.

Resolutions—Three resolutions, as printed elsewhere in these Proceedings, were adopted as read by M. U. Mounts.

Nominating—The nominees for the 1965 Executive Committee, as presented by Dr. R. W. Kilburn and listed at the front of these Proceedings, were elected by a unanimous ballot cast by the Secretary.

The meeting was adjourned at 11:55 A.M.

RESOLUTIONS

WHEREAS, the Seventy-seventh Annual meeting of the Florida State Horticultural Society has been a most successful meeting, and

WHEREAS, the success has been largely due to the splendid efforts of the officers, Executive Committee, and other special committees of this meeting and in the affairs of the Society;

THEREFORE BE IT RESOLVED by the Florida State Horticultural Society that it express its sincere appreciation and gratitude to:

1. General Officers: President Willard M. Fifield, Chairman Dr. Herman J. Reitz, Secretary Dr. Ernest L. Spencer, Treasurer R. R. Reed, Publication Secretary Ralph P. Thompson, Editing Secretary W. L. Tait; and

2. Sectional Vice Presidents: Dr. John R. King, Mason E. Marvel, Dr. Robert O. Magie, Ralph H. Sharpe, and D. I. Murdock; and

3. Burt Colburn, James Griffin, Jr., James C. Nanney and R. G. Pitman, Jr., Members-at-Large of the Executive Committee; and

4. Local Arrangements Committee: Burt Colburn, Chairman; and

5. The Management and employees of the Carillon Hotel and especially Mr. Arnold Keithlin, Director of Sales, and Mr. Jack Wofford, Executive Convention Coordinator.

WHEREAS, Dr. E. T. York, Jr., Provost for Agriculture, has given dynamic and effective leadership to agriculture in the State of Florida through the implementation of the DARE program, and

WHEREAS, the DARE program has established an understanding of the problems of agriculture through Education, Research and Extension and has developed cooperative effort with industry throughout Florida,

THEREFORE BE IT RESOLVED, that the Florida State Horticultural Society commend Dr. York and voice approval of his efforts and the DARE program.

WHEREAS, the agriculture of Florida has progressed in efficiency and productivity until it has become the major economic development in Florida, and

WHEREAS, this progress is implemented and improved by the formal training of those individuals who now are becoming our leaders in all areas of our agricultural industry, and

WHEREAS, there is a call and demand for trained young men and women in the complex field of agriculture

THEREFORE BE IT RESOLVED that the Florida State Horticultural Society requests its Executive Committee to examine the possibility of extending assistance to attempts now being made towards increasing the enrollment of our youth in educational institutions offering effective educational facilities in the field of agriculture.
