ON MEMBERSHIP

The Board of Directors of this Society is trying a number of ways to increase our membership. Would you as a member look around you for possible new members and urge them to join? Here are a few of the benefits:

1. Get the latest experimental results from the University of Florida researchers.
2. Receive the Society's Proceedings book of annual meetings: some 400+ pages.
3. Listen to growers talk about their experiences and business.
4. Talk personally with industry people and researchers. Urge research you believe needed.
5. Just have a good two-day time mixing with friends and relaxing but learning too.
6. Membership fee is only \$35. Send your check to Kathy Murphy, 1025 South Semoran Blvd., Winter Park, FL 32733.
