

FSHS Members

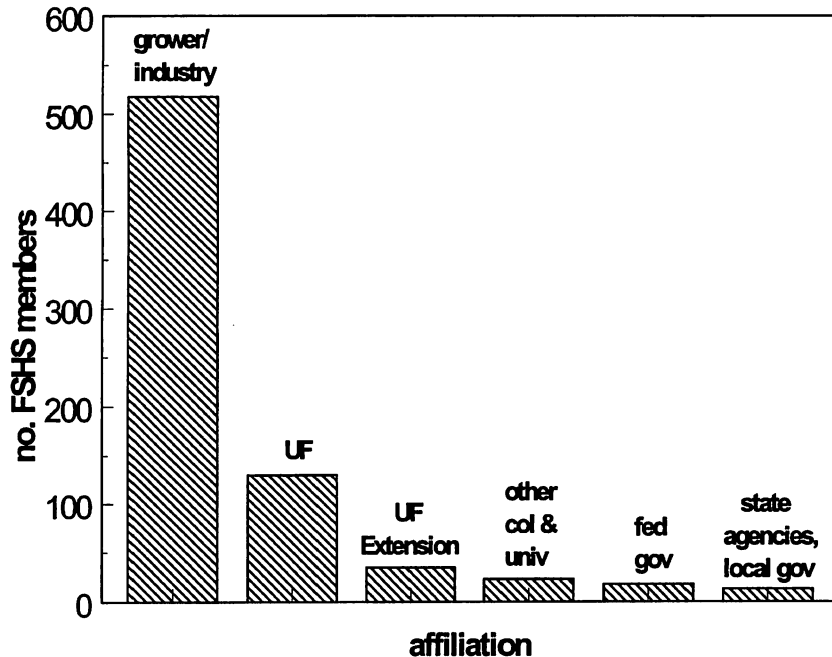

member affiliation

We have some space here so let's take a look at the FSHS membership as of the early 90s. The count changes annually, usually a bit downward, which has been typical of many of the state horticultural societies over the USA. We are in need of more industry membership. If you can help, please do!

1996 FSHS membership

total membership = 737

Present membership of the Florida State Horticultural Society is about half the maximum reached during the 1960s to mid 1980s. At the present membership level, however, this Society is one of the largest and oldest in the United States. Florida is the No. 2 horticultural State. (Courtesy Jackie Burns and Kathy Murphy.)

Presidents of the Florida State Horticultural Society from 1888 to Present

<i>Year</i>	<i>Presidents</i>				
1888-1896	Dudley W. Adams	1955	H. A. Thullbery	1976	John W. Sites
