## MORNING DREAMING

*Gabriela Cintron, Class of 2022*

I woke up this morning  
and my house was a mess.  
Everything was so squished  
and my dog slept on my face  
because we have no room  
in this box of an apartment.  
But it's okay because my  
lucky numbers were 779 774 7  
and I won the lottery  
so I live in a mansion  
and my dog is a tiger  
with another bed for his butt  
and everything is squeaky clean  
made of gold. And I am rich,  
also a president and queen of Spain.  
But never mind because  
I just opened my eyes  
and now my tiger is a dog again  
sitting on my face  
and my house is a mess.
