Reflection

Jason Miles

■ **Jason Miles** is a second year medical student who enjoys photography because it is an art that is rooted in science. He prefers to take photographs of wildlife and nature.

Walkway

Danny Bernabe

■ **Danny Bernabe** is a second year medical student at The Florida State University College of Medicine. Since high school, Danny has had a passion for photography. He enjoys the challenge of telling a story through a single photo, and being able to share his work through HEAL.

Jill M. Prafke, MD

Download One Bowl of Alphabet Soup and...

Doctor, hear me...
 CPT, DRG
 Where does it hurt?
 EHR, CPOE
 Doctor, see me...
 CT, MRI
 Doctor, help me to heal...

■ **Dr. Prafke** is Clinical Assistant Professor in Obstetrics and Gynecology at the Florida State University College of Medicine and in general practice with the Women's Group in Pensacola, Florida.

Julia Fashner, MD

Stage 2: Contemplation

Your tug of war
 Discomfort and torture throughout the body
 Spare tire from the snacks gobbled at the store
 The mirror shows heartache, mental and physical pain
 But dollar menus are ached for
 Can this load be easily lifted?
 Nip – tuck – band: restore
 Alone to fix the fat
 Consider that life is so much more.
