
COASTAL PHOTOGRAPH BY THE BRITISH
TOURIST AUTHORITY

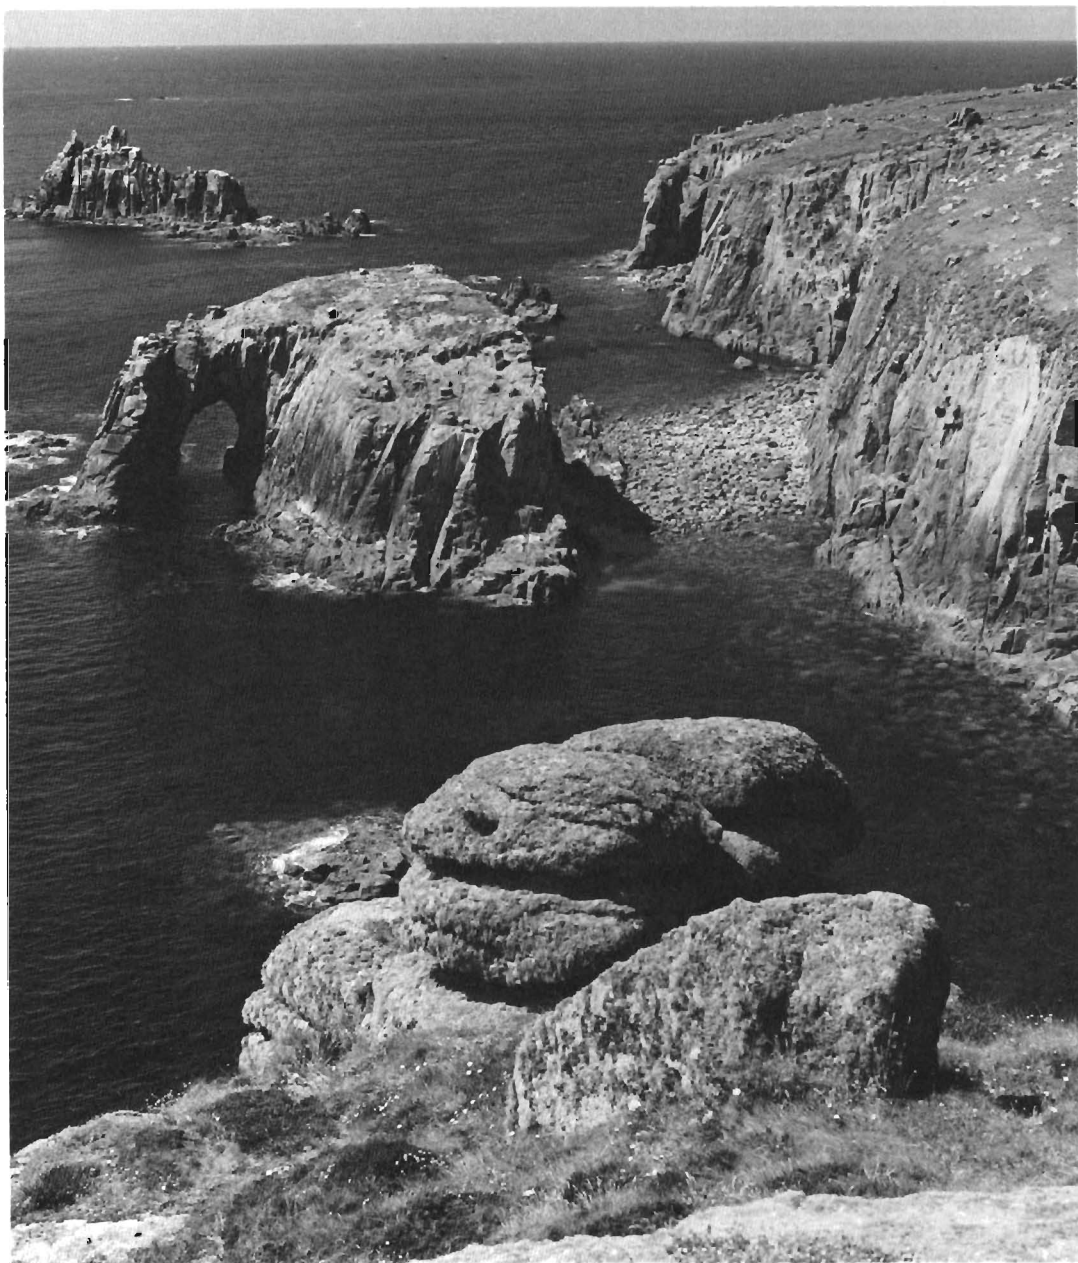

PHOTO 132. *Lands End, Cornwall.* Land's End is a granite landmass in southwest England, facing directly into the Atlantic swells. The headland and shoals are notorious hazards to shipping and there have been many wrecks in the area including the *Torrey canyon* in 1967. (Photo: British Tourist Authority, 64 St. James's Street, London SW1, England).
