## ERRATUM

In an article by Michael S. Fenster and Robert Dolan ("Historical Shoreline Trends Along the Outer Banks, North Carolina: Processes and Responses," *Journal of Coastal Research* 9:172-188), an error was introduced by the typesetter during the correction process. In the last paragraph on page 186, the second sentence should read:

"Our recent analytical research (DOLAN *et al.*, 1991,

1992; FENSTER *et al.*, 1993) has given us the opportunity to review the available methods for understanding shoreline behavior (and associated problems) on a site-specific basis."

The material that appeared incorrectly is underlined.
