The Supplement to the Journal of Nematology (Annals of Applied Nematology) (ISSN 0022-300X), is published annually by the Society of Nematologists. Periodical postage paid at Lawrence, KS.

Postmaster: Send changes of address to Society of Nematologists, P.O. Box 1897, Lawrence, KS 66044-8897. Inquiries concerning subscriptions, availability of back issues, membership in the Society of Nematologists, and change of address should be sent to the same address.

Mention of a pesticide, cultivar, or commercial or proprietary product does not constitute a recommendation or an endorsement of its use by editors, author(s), their institutions, or the Society of Nematologists. Authors are responsible for statements made in the Journal and Supplement, whether of fact or opinion.

Printed by The Sheridan Press, 450 Fame Ave., Hanover, PA 17331. The Journal is indexed by Kathleen K. Leabo, Port Lavaca, TX.

COVER ILLUSTRATION, courtesy of JAMES G. BALDWIN and MANUEL MUNDO:

Scanning electron micrograph of *Tylenchulus seminpenetrans* (citrus nematode), female, anterior end.
