

CONTENUTO - CONTENTS

J. M. S. FORREST, W. M. ROBERTSON and E. W. MILNE		
Ultrastructure of syncytial cell walls and associated features at the head region of second stage juveniles of <i>Globodera rostochiensis</i> in susceptible and resistant potato roots . . . . .	Pag.	3
R. TACCONI		
Riproduzione di <i>Heterodera schachtii</i> su alcune piante coltivate . . . . .	"	9
V. A. MELILLO and A. TROCCOLI		
Morphological observations on two <i>Scutellonema</i> species (Nematoda: Hoplolaimidae) from Tanzania. . . . .	"	13
M. DI VITO, G. ZACCHEO and F. CATALANO		
Effect of root leachates of some legumes of different ages on the hatching of <i>Heterodera ciceri</i> . . . . .	"	17
N. SASANELLI and T. D'ADDABBO		
Effect of <i>Cineraria maritima</i> , <i>Ruta graveolens</i> and <i>Tagetes erecta</i> leaf and root extracts on Italian populations of <i>Meloidogyne</i> species. . . . .	"	21
F. LAMBERTI, H. M. R. K. EKANAYAKE and N. SASANELLI		
Effect of some plant parasitic nematodes on the growth of selected crops in Sri Lanka . . . . .	"	27
P. CASTILLO and A. GOMEZ-BARCINA		
Plant parasitic nematodes associated with tropical and subtropical crops in Southern Spain . . . . .	"	45
M. LIŠKOVA, F. LAMBERTI, M. SABOVA, B. VALOCHA and A. AGOSTINELLI		
First record of some species of longidorid nematodes from Slovakia. . . . .	"	49
N. VOVLAS, V. A. MELILLO e L. CATALANO		
<i>Ditylenchus dipsaci</i> , causa di gravi danni su colture di sedano in Puglia		
<i>Ditylenchus dipsaci</i> , <i>causal agent of severe damage in celery crops in Apulia (Southern Italy)</i> . . . . .	"	55
F. ABDEL-RAHMAN		
SEM observations and description of <i>Plectus cylindricus</i> sp. n. (Nematoda: Plectidae), from California, USA . . . . .	"	59
I. PHILIS		
Control of the citrus nematode, <i>Tylenchulus semipenetrans</i> in established grapefruit orchards of Cyprus . . . . .	"	63
A. M. ABDEL MONEIM and M. BELLAR		
Response of forage vetches and forage peas to root-knot nematode ( <i>Meloidogyne artiellia</i> ) and cyst nematode ( <i>Heterodera ciceri</i> ). . . . .	"	67
A. NAVAS, J. G. BALDWIN, L. BARRIOS and G. NOMBELA		
Phylogeny and Biogeography of <i>Longidorus</i> (Nematoda: Longidoridae) in Euromediterranea . . . . .	"	71
M. AKHTAR and I. MAHMOOD		
Control of plant-parasitic nematodes with 'nimin' and some plant oils by bare-root dip treatment . . . . .	"	89

A. AVGELIS, L. CATALANO and N. VOVLAS	
Occurrence of virus vector nematodes and their associated nepovirus in vineyards of the greek island of Rhodes. . . . .	93
I. MAHMOOD and Z. A. SIDDIQUI	
Effect of phenolics on the growth of tomato and reproduction of <i>Rotylenchulus reniformis</i> . . . . .	97
I. MAHMOOD and Z. A. SIDDIQUI	
Correlation of resistance and susceptibility of tomato cultivars to <i>Rotylenchulus reniformis</i> with levels of phenolics and amino acids present . . . . .	99
Z. A. SIDDIQUI and I. MAHMOOD	
The effect of ascorbic acid on <i>Rotylenchulus reniformis</i> and the rate of transpiration of tomato . . . . .	103
M. LIŠKOVÁ, M. SABOVÁ, B. VALOCKÁ and F. LAMBERTI	
Occurrence of <i>Xiphinema diversicaudatum</i> (Nematoda) in the Slovak Republic . . . . .	107
N. GRECO, M. DI VITO, K. B. SINGH and M. C. SAXENA	
Effect of <i>Heterodera ciceri</i> on the growth of selected lines of <i>Cicer</i> species . . . . .	111
A. NAVAS, J. G. BALDWIN and F. LAMBERTI	
Contributions to the taxonomy of <i>Longidorus latocephalus</i> Lamberti, Choleva <i>et</i> Agostinelli, 1983 and <i>L. pisi</i> Edward, Misra <i>et</i> Singh, 1964 (Nematoda: Longidoridae) . . . . .	117
B. VALOCKÁ, M. SABOVÁ and M. LIŠKOVÁ	
Distribution of <i>Heterodera avenae</i> in Czecho-Slovakia . . . . .	123
Book Reviews. . . . .	125

*Contents of these papers will be abstracted in C.A.B. Nematological Abstracts*
