Larry Duncan, University of Florida, Institute of Food and Agricultural Science, Citrus Research and Education Center, Lake Alfred, FL USA E-mail: lwducan@ufl.edu

NEMATROPICA (ISSN 2220-5608/ISSN 2220-5616) is published biannually by ONTA, the ORGANIZATION OF NEMATOLOGISTS OF TROPICAL AMERICA. The organization meets once a year for the presentation of papers on tropical and subtropical nematology and for the transaction of business. Interested persons can apply for membership at the ONTA homepage, <http://www.ontaweb.org/>. Annual membership is \$40.00 U.S. for regular members and \$500 U.S. for sustaining members. Payment can be made with a check in U.S. currency drawn on a USA bank or by VISA and MasterCard; however, a fee of \$7.00 U.S. will be added for credit card orders. Membership form and other information regarding ONTA and Nematropica can be found at the ONTA website: <http://ontaweb.org>.

NEMATROPICA (ISSN 2220-5608/ISSN 2220-5616) es la publicación bianual de ONTA, la ORGANIZACIÓN DE NEMATÓLOGOS DE LOS TRÓPICOS AMERICANOS. La organización se reúne una vez al año para presentar trabajos en nematología tropical y subtropical y para discutir asuntos administrativos. Las personas interesadas en pertenecer a la ONTA deben hacerlo en la página web de la organización: <http://www.ontaweb.org/>. El costo de la membresía anual es de \$40.00 USD para miembros ordinarios y \$50.00 USD para miembros patrocinadores. Los pagos pueden hacerse con cheque de banco en EEUU o con tarjeta de crédito VISA o MasterCard. Se cobra un costo adicional de \$7.00 USD a las transacciones hechas con tarjeta de crédito. El formato de membresía y otra información acerca de la ONTA puede encontrarse en la página web de la organización: <http://ontaweb.org>

NEMATROPICA

Una Revista Científica Internacional de Nematología Tropical y Subtropical Publicada por ONTA
An International Scientific Journal of Tropical and Subtropical Nematology Published by ONTA

Nematropica (ISSN 2220-5608) is an international scientific journal of tropical and subtropical nematology. Manuscripts will not be considered for publication unless at least one author is a member of ONTA at the time the manuscript is submitted. There are no page charges for publication in Nematropica. Beginning in 2011 with Volume 41, Nematropica has been exclusively an on-line journal available via the ONTA website <http://www.ontaweb.org/> and <http://journals.fcla.edu/nematropica/issue/current>.
