The Association for Tropical Lepidoptera, Inc., is a non-profit organization for the support of research on the biology, systematics, and conservation of tropical and subtropical Lepidoptera of the world. Funding for the Association helps to support research projects, field studies, and publications on tropical and subtropical Lepidoptera.

The Association for Tropical Lepidoptera, as organized in 1989 in Florida, is a tax-exempt corporation under Section 501(c)3 of the IRS Code and is a publicly supported organization as defined in Sections 170(b)(1)(vi) and 509(a). Contributions are tax deductible.

TROPICAL LEPIDOPTERA (ISSN 1048-8138) is published semi-annually (May and November) by the Association for Tropical Lepidoptera, Inc. Membership is \$40 per year (includes Newsletter); *Holarctic Lepidoptera* is \$35 extra. Membership is open to all persons interested in Lepidoptera. Membership applications, dues, and other business should be sent to the Executive Director: Dr. John B. Heppner, Association for Tropical Lepidoptera, c/o Florida State Collection of Arthropods, P. O. Box 141210, Gainesville, FL 32614-1210. Tel: (352) 392-5894. FAX: (352) 392-0479.
